RACE TO REFER

GUIDELINES

- No limit on referrals: the more, the better!
- If you recruit 10 friends who all work 40 hour weeks, you can earn 1,000 extra HoliPoints in one pay period!
- Two people can refer one another.
- If more than one referrer is listed, we take the first name.
- Referred Team Member must be a new Team Member who has not worked here either this season or last season.
- You must be employed as a seasonal Team Member to collect HoliPoints.

HOLIPOINTS

- HoliPoints are updated each pay period.
- HoliPoints earned are based off of tiers (see below).
- The number of points you receive for a referral is based on the number of hours they work.
- If a Team Member works 20.75 hours it is considered 20 hours (the system rounds down).
